

MEMORANDUM FOR: DCI

*Noted by DCI
29 Nov 78*

Although you obviously can't afford the time to read all of this, it may be worthwhile to skim:

Part Two: pp 74-155

Part Three, Chapter 15, pp 280-301
in order to capture the flavor of a leading African political scientist's view of trends in Africa, especially as they relate to relations with the rest of the world.
